W.P.No. 27258 of 2005

:O R D E R:

The two petitioners are registered societies representing the cause of retired Public Health workers, their children and Badili workers belonging to Scheduled Castes and Scheduled Tribes. Aggrieved by the notification dated 14-12-2005 issued by the respondent-Corporation inviting applications for appointment of Health Workers, on contract basis, the present writ petition is filed.

As per the notification, the applicants for contract work should be members of the sanitation societies formed with retired Public Health workers, their children and/ Badili workers belonging to Scheduled Castes and Scheduled Tribes. The conditions of appointment of contract labour would show that 115 temporary workers on contract basis be employed for a period of three months and that such applicants should be members of the society. The method of recruitment is also provided by conditions. The same would show that after receiving of the applications on or before 23-12-2005, a lottery would be conducted, when seven (7) covers would be picked up from societies consisting of male workers and three (3) covers will be picked up among the societies consisting of female workers. If the petitioners or any of the members aggrieved by such method, the remedy lies in approaching the Andhra Pradesh Administrative Tribunal and the writ petition would not lie.

Accordingly, giving opportunity to all aggrieved persons to approach the Andhra Pradesh Administrative Tribunal, the writ petition is dismissed. No costs.
